## WHAT WE OFFER

At Angel we are dedicated to providing our policyholders with the tools they need to manage the daily risks they face. Therefore our Charity Trustee Indemnity Liability Insurance offers essential risk management aids that every Trustee and Director will find indispensable.

## 1. THE TIPS AND ADVICE PERSONNEL NEWSLETTER FROM INDICATOR®

If your policy additionally includes coverage extension for the organisation from a Employment Practices Wrongful Act, then you will receive the Tips & Advice Personnel newsletter from Indicator®. This contains stacks of tips and advice to help the employer and personnel manager prevent personnel problems and manage staff cost-effectively. It is also an invaluable aid in keeping up-to-date with changing employment legislation, decisions and case law.

Your Organisation's workforce constitutes its most valuable asset, that's beyond doubt. But at the same time, staff are expensive - hence the need to manage personnel as efficiently as possible. After all so many personnel issues come with a price tag: sickness, redundancy, dismissal, discrimination, company cars, payroll... losing sight of any of them can hit you in the pocket...

Tips & Advice Personnel presents practical solutions that help save money and help prevent personnel problems arising. And as employment legislation is always changing, it will also keep you updated on all the new regulations, decisions and case law. It does so not in legalese, but in plain English, so that you'll know exactly what to do. The letter is published 22 times a year at a regular subscription price of up to £121 per annum, but a one year subscription is included **free of charge** with your Angel policy, provided Employment Practices Wrongful Acts coverage has been purchased for the Organisation.

For a limited time only when you receive Tips & Advice Personnel you will also receive 3 months free access to Tips & Advice Personnel Plus the new online resource from Indicator® which caters for all your needs as an employer or personnel manager. Go to [www.ta-personnelplus.co.uk](http://www.ta-personnelplus.co.uk) to find out more...

Tips & Advice Personnel Newsletter is published by Indicator®, who for more than eight years, have been publishing independent advice about tax, financial, legal, personnel and health and safety issues.

## 2. INDEPENDENT LEGAL ADVICE FROM QUALIFIED SOLICITORS

As an Angel policyholder you will have exclusive access to our free legal helpline. This is available Monday to Friday for general legal advice on corporate or commercial problems potentially giving rise to a liability under your policy. Advice is at no charge for the first 30 minutes only, and is not otherwise recoverable from Insurers. Full details of the terms and conditions of this service are on the front page of your Angel Policy.
