When Insurance 360 conducted its second annual study of Commercial Insurers' performance...

The winner out of the country's leading 50 insurers was Angel Underwriting with a score of 86% for overall service. State-of-the-art technology helped Angel come first for new business, documentation and renewals, and ranked them amongst the top eight on all other aspects of performance.

Service was described as fast and efficient on new business enquiries, expert and helpful in underwriting, well organised, and broker friendly on renewals. Its policies were noted as industry leading and amongst the best in their class.
